Telex Release Fee

Dear Customer,

Please note we will be introducing the following surcharge fee for the handling of 'Telex Releases' for import and export shipments:

- **TLE = USD30 per Bill of Lading (B/L), effective 01 February 2017**

TLE charge code is applied when the original documents are submitted in the Origin Country, instead of the Destination Country.

- **TLI = USD30 per Bill of Lading (B/L), effective 01 February 2017**

TLI charge code is applied when the original documents are submitted in 3rd Country or Destination Country, other than stated in the Bill of Lading.

Should you have any questions about our Switch Bill of Lading Service or the SWC fee, please do not hesitate to contact your usual Customer Service representative.
